Re: Granville Solvents Site

Dear Mike:

StarTec, Inc., successor to Gammatronix, Inc. has entered into a settlement in the Granville Solvents cost recovery litigation and desires to join in the Administrative Order on Consent with USEPA. Towards that end, enclosed please find a Fifth Amendment to Administrative Order on Consent which I have signed on behalf of the Granville Solvents Site PRP Group and an original signature page to the Administrative Order signed by StarTec, Inc.

Please have the Amended Order signed by the appropriate representative and return a copy to me for my records. Should you have any questions, please do not hesitate to call me. Thank you for your continued cooperation in this matter.

Sincerely yours,

Ben L. Pfefferle, III
